All Rights Granted

The Author grants all rights.

1. Publication, reproduction, distribution, communication, public display, or other dissemination of the Contribution worldwide, in any language and format, whether existing or developed in the future, is authorized by all relevant rights and licenses, whether exclusive or non-exclusive, to Fringe Global Scientific Press.
2. The Author also agrees to publish the Contribution under the Fringe Global Scientific Press is granted all necessary rights and licenses, both exclusive and non-exclusive, to publish, reproduce, distribute, communicate, publicly display, or otherwise disseminate the Contribution in any language and format, whether currently existing or developed in the future, globally.
3. This work is made available to the public under the Creative Commons Attribution-NonCommercial 4.0 International (CC BY-NC 4.0) license, which permits unrestricted use and distribution, provided proper attribution is given.
4. Fringe Global Scientific Press may use abstracts and summaries for the Contribution. The Author owns all property rights in the Work, including copyright but not patent rights.
5. Fringe Global Scientific Press must be appropriately referenced anytime the Author utilizes or reproduces the Contribution, either wholly or partially, in any future work, including reprints and translations.
6. There is no restriction on the Author's ability to store a version of the Contribution—including all subsequent revisions—on the Author's website or in the employer's repository.
7. Unauthorized use of the Contribution without proper attribution is illegal. As soon as Fringe Global Scientific Press receives a legitimate claim of plagiarism, it will contact the author for a response before deciding whether or not to keep the work in its database.

Author's Acceptance and Declaration

I, the undersigned Author, hereby declare that:

1. I own the manuscript's rights.
2. The manuscript does not knowingly infringe any third-party copyright or intellectual property rights.
3. I have obtained the necessary permissions for third-party materials included in the manuscript.
4. I have the legal authority to enter into this publishing agreement.
5. I shall cooperate with the Publisher during editing, proofreading, and publication.
6. I shall provide accurate personal, banking, and publication-related information.
7. I shall not knowingly submit plagiarized or unlawfully reproduced material.
8. I represent and warrant that I have no financial interest in the Work's subject matter or undisclosed affiliation with any organization or entity that does, except as disclosed to the Association.
9. I accept full responsibility for plagiarism found in my published camera-ready paper and absolve Fringe Global Scientific Press and its Board of liability.
10. I/We declare that this paper is our original work, has not been published or submitted elsewhere, and that all co-authors consent to its publication. The book has not been published elsewhere or submitted to another publisher.

I have carefully read and understood the terms and conditions of this Fringe Global Scientific Press Book Publishing Agreement. I voluntarily agree to enter into this Agreement with the Publisher and to comply with all terms set forth herein.
